This month, the meeting will take place in the 2nd Floor Conference Center at Park Tower, located at 980 9th Street in Sacramento. Please note that the meeting will begin at 10:00 a.m. instead of its usual 9:00 a.m. start time.

During the meeting, staff will hold a workshop to present the issues identified through the Delta Plan Five-Year Review process, and the Council will explore options for addressing those key issues. Staff will use the feedback from this workshop to develop draft recommendations, which staff will present later this year.

Also, Delta Watermaster Michael George will return with his quarterly report, and the Sacramento-San Joaquin Delta Conservancy and Delta Protection Commission will provide an update on their activities.

If I can answer any questions or provide any other information, please contact me at (916) 445-4500 or jessica.pearson@deltacouncil.ca.gov.

"Coequal goals" means the two goals of providing a more reliable water supply for California and protecting, restoring, and enhancing the Delta ecosystem. The coequal goals shall be achieved in a manner that protects and enhances the unique cultural, recreational, natural resource, and agricultural values of the Delta as an evolving place."
